SAINT JAMES  
PARIS

Bellefeuille is an ode to nature and life.

We are delighted to welcome you here for a moment of pleasure and sharing.

From my childhood spent cooking with my mother and exploring the family garden, I have developed a deep respect for the cycles of nature. Guided by a triptych that is particularly close to my heart - the vegetable, the mineral, and the iodine - the dishes on our menu find their roots in the memories of the flavors of my childhood. They pay tribute to French gastronomy and the richness of its terroirs by highlighting raw products that we work for you with sincerity and passion.

As a member of Relais & Châteaux, we are committed to a more responsible cuisine. The vegetables you will taste have been mainly grown in our garden located in Île-de-France. The fish, shellfish, and crustaceans come from responsible fishing and talented producers, just like the meats carefully selected by our teams.

"At Relais & Châteaux, we are all hotel and restaurant artisans scattered across the planet, heirs to the great cultural history of hospitality and world cuisine, and we have chosen to be faithful to the mission we have set ourselves: to preserve and pass on the uniqueness of the cuisines, to avoid the renunciation and ease that threaten our civilisations of the immediate; to remind us every day, through our practice as artisans, that our humanity is always expressed and replenished in the sharing of the beautiful and the good"
