PARIS

Bellefeuille is an ode to nature and life.
We are delighted to welcome you here for a moment of pleasure and sharing.

From my childhood spent cooking with my mother and exploring the family garden, I have developed a deep respect for the cycles of nature. Guided by a triptych that is particularly close to my heart - the vegetable, the mineral, and the iodine - the dishes on our menu find their roots in the memories of the flavors of my childhood. They pay tribute to French gastronomy and the richness of its terroirs by highlighting raw products that we work for you with sincerity and passion.

As a member of Relais & Châteaux, we are committed to a more responsible cuisine. The vegetables you will taste have been mainly grown in our garden located in Île-de-France. The fish, shellfish, and crustaceans come from responsible fishing and talented producers, just like the meats carefully selected by our teams.
