

Saint James Paris

THE SPA

GUERLAIN

GUERLAIN

A prestige hotel in a park in the heart of Paris? A great restaurant, complete with a terrace? A private club? It is all of those things, and much more! Part château, part family townhouse, a blend of grandeur and intimacy, of classicism and extravagance...

Highly Parisian yet decidedly beyond fashion... Indefinable. Unclassifiable. Simply unique.

By hosting Guerlain in his Spa, the Saint James Paris has made a brilliant alliance combining exclusivity and excellence. And to seal this alliance and integrate it into this 19th-century bijou building, Bambi Sloan has designed a fascinating shrine. She has used a subtle Oriental/Western blend for the decoration: tiling featuring arabesque patterns, like a carpet leading to the changing rooms and hammams, a baroque velvet couch, boudoir cabins complete with vanities and large mirrors, "Cordoba leather" trompe-l'oeil panels and the like. Enter the world of magic that offers Guerlain sensory experience.

Guests of the Spa benefit from a free private car park with valet service, reserved to Saint James Club members and to hotel guests. They also have access to the famous library-bar, accessible only to Club members until 7:00 pm to enjoy a complimentary drink after the treatment.

Discover the Guerlain treatments, a perfect union of effective know-how and aesthetic expertise. Take advantage of the specific attentions of the Saint James Paris and savour an unforgettable moment of well-being.
